	APR	MAY	JUN	JUL	AUG	SEP	OCT	

Days marked as club dives or training days will be organised by the club Diving Officer or Training Officer and a Dive Marshall will be appointed by the club Diving Officer. Specific details will be announced at the Monday night club meetings prior to the dive weekends. Further dives may be organised at the discretion of and with permission from the Diving Officer. For up to date details of club dives, ring Phil the Post on 01443 226201.

Normally, members should meet at the club boats from 8.30 am onwards and be ready to leave at 9.30 am. Members turning up after 9.30 am cannot be guaranteed a place on the club boats.

Days marked as training days are subject to confirmation and will only take place if there is sufficient demand and/or instructors available and then priority will be given to members undertaking open water training.
